A MESSAGE FROM OUR FOUNDER

A Vision for a Destination Beyond the Ordinary

When I first walked through these hills, I saw more than their beauty. I saw the potential to create a destination that brings together the richness of nature, the warmth of hospitality and the joy of being together.

Chandan Valley Resort is envisioned as a world of experiences, surrounded by green hills and exceptional plantation landscapes, with thoughtfully curated stays, wellness, adventure, recreation and nature.

At the heart of this vision is our world-class resort, created for unforgettable weddings, celebrations and events where every moment becomes a cherished memory.Our hope is that every guest leaves with stories worth sharing, and a desire to return.

BRUNDAVANAM

The Courtyard at the Heart of Home

At the heart of every Manduva house is its open-air courtyard a space where architecture and nature come together.

Open to the sky, it brings light, fresh air and greenery into the home, while offering a place to experience nature in all its moods-from gentle morning light and passing clouds to cool breezes, rain and starlit evenings.

Here, mornings begin slowly, conversations linger, and families come together.

A space beneath the sky.
A home built around togetherness.

BRUNDAVANAM

Crafted the Traditional Way

Every Manduva Logili at Brundavanam draws from generations of traditional craftsmanship combining enduring materials, familiar forms and thoughtful modern conveniences within a home designed for contemporary living.

ARCHITECTURE & VASTU

- Planned according to traditional Vastu principles.
- A Chaturmukha home with entrances alignedto the four cardinal directions and a central Brahmasthana.
- Constructed with kiln-fired bricks and substantial 9-inch walls.

TEAK & JOINERY

- The main entrance door and door frames are crafted from aged teak, chosen for their warmth, strength and timeless character.
- A traditional teak torana lends the entrance a distinctive Manduva identity.
- UPVC windows introduce durability and ease of maintenance without compromising the overall architectural character.

ROOF, FLOORING & VERANDAH

- Sloping roofs finished in a traditional tile-inspired design give the home its unmistakable Manduva silhouette.
- Carefully selected flooring complements the earthy, heritage-led material palette.
- The surrounding verandah is defined by handcrafted pillars and shaded transitional spaces between indoors and outdoors.

INTERIORS & CRAFT

- Interiors draw from traditional Indian craftsmanship and familiar forms of everyday living.
- Contemporary switches and electrical fittings provide modern convenience within the traditional setting.

HERITAGE DETAILS

- Traditional rangoli and threshold motifs bring subtle cultural detailing into the home.
- Warm wall lighting and carefully selected fixtures enhance the intimate, nostalgic atmosphere.

THE GRAND WELCOME

- A traditional teak torana marks the main entrance.
- Handcrafted decorative pillars give the arrival a strong architectural presence.
- Airavata-inspired elephant sculptures complete the entrance composition with a ceremonial sense of welcome.

CHANDANAVANAM

Rooted in Value. Grown with Care.

At the heart of Chandan Valley lies a plantation shaped by patience, purpose and the promise of lasting value.

Chandanavanam brings together fragrant sandalwood and prized Miyazaki mangoes — two of nature's most valuable treasures — in a thoughtfully cultivated plantation.

Beyond land ownership, Chandanavanam offers a distinctive opportunity to enjoy the rewards of nature. Through sandalwood harvesting planned after ten years, owners are intended to receive returns proportionate to their plot size, with the potential to recover their original investment while retaining ownership of their land. Annual Miyazaki mango benefits and exclusive Chandan Valley resort membership privileges further enrich the experience.

SANDALWOOD HARVEST RETURNS
Planned harvesting after ten years, with proceeds shared according to plot size, offering the potential to recover the original investment without selling the land.

MIYAZAKI MANGO BENEFITS
Enjoy annual income from the prized Miyazaki mango harvest or savour the exceptional fruits yourself.

EXCLUSIVE RESORT MEMBERSHIP
Plot ownership includes membership privileges and access to the resort's exceptional hospitality and leisure experiences, subject to membership terms.

ORGANIC & SUSTAINABLE
Thoughtful cultivation of sandalwood and Miyazaki mango trees through practices that respect and nurture the land.

OVER 1,00,000 TREES
An expansive plantation planned to create lasting environmental, landscape and economic value.

DTCP APPROVED PLOTS
Approved plots combining land ownership with plantation-linked benefits and long-term value potential.

NANDANAVANAM

Where the Palms Tell Their Own Story

Nandanavanam is a serene plantation landscape where rows of date palms, fragrant sandalwood trees and prized Miyazaki mangoes come together amidst the natural beauty of Chandan Valley. Guests can stroll through the plantation, experience its changing character through the seasons, and discover Neera — the fresh, naturally sweet sap collected directly from date palms before fermentation. Beyond its scenic charm, Nandanavanam offers a distinctive opportunity to connect with nature while enjoying the rewards of plantation ownership.

DATE PALM GROVE
A distinctive plantation of date palms creating a beautiful landscape to walk through and explore.

FRESH NEERA
Fresh, naturally sweet date-palm sap collected directly from the trees and served before fermentation.

SANDALWOOD GROVES
Sandalwood trees growing alongside the plantation, adding another layer to its natural character.

FROM PALM TO HARVEST
An opportunity to discover the date palm, its fruit and the traditional process of collecting Neera.

FARM PLOTS
An opportunity to own plantation land with potential returns from future sandalwood harvests while retaining ownership, alongside Miyazaki mango benefits and exclusive Chandan Valley resort membership privileges.
